Welcome to vapeslobby, your ultimate destination for the most innovative and satisfying disposable vapes. We understand that choosing the right vape can be overwhelming with so many options available. That's why we've curated a selection of top-tier devices, each offering unique features to enhance your vaping journey. Let's dive into the exciting world of disposable vapes and find your perfect match.

Featured Disposable Vapes: Innovation Meets Convenience

At Vapeslobby, we pride ourselves on offering a diverse range of disposable vapes that combine cutting-edge technology with user-friendly designs. Here's a closer look at some of our most popular products:

Oxbar Ice Nic Control 35000

Experience the future of vaping with the Oxbar Ice Nic Control 35000. This revolutionary device allows you to customize your vaping experience by adjusting both the ice and nicotine levels. With an impressive 35,000 puffs and a clear display, it’s designed for those who demand precision and longevity.

Mr Fog 36K Puffs

The Mr Fog 36K Puffs is all about versatility. Choose from three distinct power modes—ECO for extended use, BOOST for a stronger hit, and TURBO for maximum intensity. This device adapts to your preferences, ensuring a satisfying vape every time.

Raz 25000

Sleek, stylish, and powerful, the Raz 25000 series delivers a consistent and flavorful experience with every puff. Known for its vibrant designs and robust performance, the Raz 25000 is a favorite among vapers seeking both aesthetics and functionality.

Mr Fog Max Air 3000

While specific details for the Mr Fog Max Air 3000 are not highlighted, Mr Fog is renowned for its commitment to quality and diverse flavor offerings. Expect a reliable and enjoyable vaping experience from this trusted brand.

Breeze Pro 2000

Compact yet mighty, the Breeze Pro 2000 is perfect for vapers on the go. Its convenient size and consistent performance make it an excellent choice for everyday use.

Mr Fog Switch 5500

Elevate your vaping with the Mr Fog Switch 5500. This device offers a higher puff count and often features innovative designs that allow for easy flavor switching, providing a dynamic vaping experience.

Geek Bar Pulse 15000 Puffs

The Geek Bar Pulse 15000 is celebrated for its rich, concentrated flavor delivery that lasts throughout its impressive 15,000-puff lifespan. It’s a go-to for vapers who prioritize intense flavor and consistent performance.

Mr Fog Switch 15000

Building on the success of the Mr Fog Switch series, the 15000-puff version offers extended usage and the potential for multiple flavor options, ensuring a fresh experience whenever you desire.

Kado Bar KB10000

The Kado Bar KB10000, often seen in collaboration with Modus, provides a substantial 10,000 puffs. It’s a robust device with a pre-filled e-liquid capacity and a rechargeable battery, perfect for prolonged enjoyment.

Nexa Ultra 50000

Step into the future with the Nexa Ultra 50000. This high-capacity device boasts an incredible 50,000 puffs, a visible e-liquid tank, a stunning 3D curved screen, and dual mesh coils for an unparalleled flavor experience.

Kado Bar Snap 25000

Part of the popular Kado Bar family, the Snap 25000 offers a high puff count and a variety of delicious flavors, making it a versatile choice for any vaper.

North Vision 15000

The North Vision 15000 disposable vape combines a generous e-liquid capacity with an integrated battery and Visionary Mesh technology, delivering up to 15,000 satisfying puffs.

Geek Bar Pulse X 25000 Puffs

The Geek Bar Pulse X 25000 offers flexibility with two modes: Regular for 25,000 puffs and Pulse for 15,000 puffs. Its rechargeable battery and dual vertical mesh coils ensure a premium vaping experience.

Kado Bar NI 40000

The Kado Bar NI 40000, also known as NI40K Ice+Nic Control, provides an impressive 40,000 puffs with the added benefit of adjustable ice and nicotine levels, allowing for a truly personalized vape.

Raz 9000

For those who prefer a more compact yet powerful device, the Raz 9000 offers a significant puff count and the consistent performance that Raz is known for.

Olit Hookalit 40000

Immerse yourself in the world of e-hookah with the Olit Hookalit 40000. This device features a massive e-liquid capacity, a powerful rechargeable battery, and customizable airflow for a truly unique experience.

Kado Bar Rizz 25000

The Kado Bar Rizz 25000 is engineered for vapers who seek a perfect balance of high puff count, exceptional flavor delivery from dual mesh coils, and the convenience of a rechargeable battery.

Tyson 2.0 Heavyweight 7000

Unleash the power with the Tyson 2.0 Heavyweight 7000. This device is built for robust performance and a substantial puff count, delivering a powerful and satisfying vaping experience.

Kado Bar BR 5000 Puffs

The Kado Bar BR 5000 is a portable and convenient option within the Kado Bar lineup, offering a delightful vaping experience in a compact form factor.

Tyson 30k

The Tyson 30k, or Tyson 2.0 Legend 30K, is a flavor powerhouse, delivering up to 30,000 puffs with triple mesh coil technology for an intensely rich and enjoyable vape.

Raz RYL 35k

Combine style and substance with the Raz RYL 35k. This elegant disposable vape offers approximately 35,000 puffs, a generous e-liquid capacity, and a rechargeable USB-C battery, often featuring a luxurious genuine leather finish.

Mr Fog Max Pro 2000

The Mr Fog Max Pro 2000 provides a reliable and consistent vaping experience with a moderate puff count, making it an excellent choice for daily use.

Lost Angel Sphere 35k Puffs

The Lost Angel Sphere 35k Puffs is a visual and performance marvel, featuring 35,000 puffs, a large e-liquid capacity, dual mesh coils, and a distinctive curved 270-degree display.

Foger Switch Pro 30K Puffs

Innovate your vape with the Foger Switch Pro 30K Puffs. This kit includes a powerful rechargeable battery, a magnetically removable battery bank, dual mesh coils, and an OLED display, offering up to 30,000 puffs.

Orion Bar 50000

The Orion Bar 50000 is a high-capacity disposable vape designed for exceptionally smooth hits and intense flavor delivery. Its advanced chip technology ensures a premium vaping experience.

Adjust Mycool 40000

Personalize your coolness with the Adjust Mycool 40000. This disposable vape offers approximately 40,000 puffs and allows you to adjust the coolness level to your preference.

Nexa Flex 40k Puffs

Experience flexibility and high performance with the Nexa Flex 40k Puffs. This device from the Nexa series combines a high puff count with advanced features for a truly adaptable vaping experience.

Breeze Prime 6000

The Breeze Prime 6000 delivers a premium vaping experience in a compact and convenient package, offering a substantial puff count for extended enjoyment.

Olit Hookalit S 35000

The Olit Hookalit S 35000 Disposable Vape offers a smooth and flavorful experience with its large e-juice capacity, LIT mesh coils, and bottom airflow design, providing around 35,000 puffs.

Kado Bar Vintage Edition 20000 puffs

Embrace classic style with modern performance with the Kado Bar Vintage Edition 20000. This device offers a prolonged vaping experience with 20,000 puffs and a timeless aesthetic.

Nexa Ultra II 50000 Puffs

An enhanced version of the popular Nexa Ultra, the Nexa Ultra II 50000 Puffs offers an astounding 50,000 puffs, a large e-liquid capacity, dual mesh coils, and multiple power modes, including a stealth mode.

Orion Bar 10k Puffs

The Orion Bar 10k Puffs maintains the brand’s commitment to quality and flavor in a more moderate puff count, perfect for those who prefer a balanced vaping experience.

Adjust Myflavor 40000

Tailor your flavor experience with the Adjust Myflavor 40000. This disposable vape allows for flavor adjustment and delivers 40,000 puffs with a generous e-liquid capacity.

Nexa Flex 30k Puffs

The Nexa Flex 30k Puffs offers a high puff count and the signature flexibility of the Nexa series, providing a satisfying and customizable vape.

Ria NV 30k Puffs

The Ria NV 30k Puffs is a versatile disposable vape featuring a pre-filled capacity, two firing modes, and a high max output, offering between 15,000 to 30,000 puffs depending on your chosen mode.

Fruitia x Fifty Bar 20k Puffs

Experience a burst of tropical flavors with the Fruitia x Fifty Bar 20k Puffs. This collaboration delivers up to 20,000 puffs, an always-active boost mode, and anti-burn technology for a consistently smooth and flavorful vape.

Adjust Mysweet 40000

Indulge your sweet tooth with the Adjust Mysweet 40000. This disposable vape features adjustable sweetness levels and three power modes, offering 40,000 puffs of delightful flavor.

Modus x Kado Bar KB10000

This powerful collaboration brings together Modus and Kado Bar to deliver approximately 10,000 puffs. It features a rechargeable battery and a clear display for e-liquid and battery indicators.

Nexa Pix 35k

The Nexa Pix 35k is another innovative offering from the Nexa series, providing a substantial puff count and advanced features for an enhanced and visually appealing vaping experience.

Fifty Bar V2 20k Puffs

The Fifty Bar V2 20k Puffs is an upgraded version, offering up to 20,000 puffs with improved coil and airflow tuning for a consistently clean and flavorful vape.

Kado Bar i-PRO 35K Puffs

The Kado Bar i-PRO 35K Puffs combines tropical flavors with advanced features like touchscreen control and dual mesh coils. With three modes (Eco, Normal, Boost), it delivers an impressive 35,000 puffs in Eco Mode.
